54 Statement of distribution

Distribution details

Complete the distribution details on the following pages for BENEFICIARY 1 to 5 if required, and for Income to which no beneficiary is presently entitled and in which no beneficiary has an indefeasible vested interest, and the trustee's share of credit for tax deducted, if it applies.

If there are more than five beneficiaries see the instructions for more information.

Note: It is not an offence not to quote a TFN for a beneficiary. However, TFNs help the Tax ATO to correctly identify each beneficiary's tax records. The ATO is authorised by the Income Tax Assessment Act 1936 and the Income Tax Assessment Act 1997 to ask for information in this tax return. We need this information to help administer the tax laws. To make a correct Trustee Beneficiary (TB) statement you must quote the TFN of a resident trustee beneficiary of a closely held trust.

Note: If the trust needs to provide annual reports under the Trustee Beneficiary Rules or the TFN withholding rules you will be able to do so by completing the information in the statement of distribution
