ORDER QUESTIONS

If your order contains **downloadable software** and you have not purchased our Extended Download Service (EDS), you have **30 days** to download your purchase. After you download we suggest you save a copy of the downloaded file on an external drive, CD, DVD, or some other storage medium in the event you have computer problems or the downloaded file becomes damaged or corrupt.

If your product requires an **activation code or unlock code**, please make a note of the number that appears in the order details above for future reference. An order confirmation email will be sent to you shortly that will also contain this information.

If you have **problems with your order or have any additional questions or comments**, please refer to the order confirmation email or contact Customer Service for assistance.

Thank you again for your order!
